Wait a minute.. what's going on online!?  
Your social media account is taken over!  
Luckily you have a different password for  
your email... right?!

Dear oh dear, there are so many things going on! Not only do you have to control a bunch of journalists, now the ministry of economic affairs is asking for your attention. You feel flattered that the ministry is interested in your work. You decide to have dinner with the minister of economic affairs. No one would mind sharing your ideas about an honest Petronia, would they?
