

A man wearing a dark blue baseball cap with a white skull logo, a dark blue polo shirt, and a camouflage tactical vest. He is holding a professional DSLR camera with a large lens. A name tag on his vest reads 'res'. The background is a blurred indoor setting with white columns.

Security support at FPU

FREE
PRESS
UNLIMITED

Over **300** media workers are imprisoned
60 journalists are missing
and **82** media workers were killed in 2018

Around the world, members of the press face an increasing level of **repression**, prosecution, violence and intimidation by governments, interest groups, militia and other parties

Safety **trainings** & tools for journalists

Our various training programmes therefore address these different aspects of safety:

- Physical
- Digital
- Psycho-social
- Legal safety

Examples:

- Money Trail
- Holistic safety training in Central America
- Medical safety training in Iraq
- Totem online digital security courses
- Whistleblower platforms

Reporters Respond

Emergency fund for journalists meant to help journalists who have been confronted with vandalism or intimidation get started again as soon as possible.

Requirements:

1. Direct result of being a media professional
2. Disruption of work
3. Temporary nature
4. Confirmation by 2 sources

Reporters **Respond**

We can support:

Medical costs

Short-term living expenses

Psycho-social support

In **2018**

We supported **103**
journalists

of which **40** female
journalists

and partnered with **4** local
organisations

reportersrespond@freepressunlimited.org

Legal Defense Fund

Financial support for media workers and media organisations worldwide that are facing prosecution or are unable to afford a lawyer or trial costs.

Requirements:

1. Practicing media worker or media organisation
2. Direct result of media work
3. Confirmation by 2 sources

Legal Defense Fund

Basic Legal Support

&

Impact Litigation

- * Subsistence Grant
- * Support to family/partner
- * Lawyer and other legal costs

up to €5,000

Complex cases that can bring about change in the media landscape

up to €50.000

case-by-case basis

→ looking for potential cases!

Capacity Development Grants

We want to contribute to legal support mechanisms on the ground, so that legal support can eventually be managed and distributed locally.

We can support **10** local rights CSOs with capacity grants up to € **8,000**

We can support:

1. Training + capacity building to improve legal support mechanisms
2. Solely budget for capacity building, not salaries, overhead, etc.

Need for **legal** support?

Refer to our end-to-end encrypted **application form** on the website

or email us at
legalfund@freepressunlimited.org
